

NORTH AMERICAN

Deutsch Kurzhaar Club

Hello Fellow DK Owners/Handlers,

The North American Deutsch Kurzhaar Club (NADKC) is pleased to announce it will be hosting the 2026 North American Kurzhaar Prüfung (NAKP). The Deutsch-Kurzhaar-Verband e. V., North American Deutsch Kurzhaar Club cordially invite all Deutsch Kurzhaar dogs and their handlers to participate. All dogs that are registered in the Deutsch-Kurzhaar studbook and fulfil the following eligibility requirements (below) can be entered for this test. Handlers must be in possession of a valid hunting license.

Admission requirements: (PO NAKP, Para. 2 in conjunction with Section II - § 2 PO International Shorthair Test -IKP-)

The dogs **must** have

- a) Achieved at least two 1st prize scores at two different of the following tests: Derby, Solms, or AZP, VGP, whereby a single repetition for each test is allowed.**
- b) Received a conformation score of at least „SG“(Sehr Gut = Very Good)**
- c) Have passed a VGP.**

Instead of the Herbstzuchtprüfung Solms (Autumn Breeding Test Solms), the Jagdgebrauchshundverband's (JGHV) Autumn Breeding Test (HZP) is also recognized if the performance in all test categories needed for a 1st prize at the Solms is achieved (very good performance (sehr gute Leistungen) = score of 9 to 11 in the HZP test categories).

Dogs that were tested at the above-mentioned tests (Solms, AZP, HZP and VGP) without the category „search behind the duck in water with dense cover” (partial test) due to existing special regulations or only passed the waterwork with a score lower than „very good “(sehr gut) in this category, must additionally prove their ability with a score of „very good “at a VBR-E.

Dogs that showed signs of gunfire sensitivity at previous tests and/or other behavior faults or dogs with faults making them unbreedable (zuchtuntauglich) cannot be admitted.

Foreign dogs registered in a recognized foreign studbook can be admitted, provided that they fulfill the requirements in § 2 Nr. (1) or comparable prerequisites. apply to foreign dogs.

The admission requirements must be met on the day of entry.

Note: High demands are placed on this test. Only thoroughly worked dogs that have passed the required preliminary tests with very good results and have sufficient hunting experience should be entered. The requirements should significantly exceed the usual Solms level.

Entries: Entries are to be sent via the NADKC Club Vice President,
Richard Medina, 17W050 Woodland Ave., Bensenville, IL 60106

Please send a photo of the dog by email (in jpg format without wearing a collar) to
medinabuilders89@gmail.com

Entries by email with the signature of the applicant will be accepted. Entries must be completed in full, digitally or by typewriter. All entries must also include a copy of the hunting license valid at the time of the NAKP. Handwritten entries or entries without a copy of the hunting license will not be considered. Entry fee must accompany Entry submission or the entry will be considered incomplete.

Closing date for entries: July 1, 2026

Late entries will not be accepted.

Note: The test will only take place if at least 12 dogs are registered by the entry deadline and the entry fees have been paid in full.

Vaccinations and health certificate: It is expressly pointed out that the veterinary regulations applicable in the USA must be observed for admission to the test.

Entry fee: \$250.00

There are two options for payment of the Entry fee.

- 1) If mailing a check, Mail to Richard Medina, 17W050 Woodland Ave., Bensenville, IL 60106, Make the check payable to “NADKC”.
- 2) Pay Online, go to NADKC.org

Test regulations: Testing will be carried out in accordance with the valid version of the PO for the NAKP in conjunction with the PO for the IKP. Test Director: Rich Runge

Local Coordinator:
